

BATTERY INSTALLATION

Remove the back of the BKON A1 and insert new batteries, paying special attention to +/– terminals. Replace the back. Your BKON A1 is now Powered On.

BKON CONNECT™ APP

From the Apple App Store, download

BKON Connect. Follow the on-screen instructions for setup and operation. For more detailed operating instructions, visit www.bkon.com/A1.

CAUTIONS, WARNINGS & GENERAL SAFETY

The following information pertains to any and all electronic and non-electronic products sold and/or supplied by BKON Connect, LLC (BKON).

- Beacons contain small parts and batteries. Do not eat them. If you have small children around, you should know that beacons and batteries are choking hazards. Ingesting batteries can even cause burns leading to serious injury or death. KEEP BATTERIES AWAY FROM CHILDREN. If swallowed, immediately seek medical attention.
- Beacons are electrical devices. To reduce risk of injury, do not disassemble, crush, puncture or short-circuit a beacon. Do not expose to temperatures above **169°F (65°C)**, and do not dispose of beacons in fire.
- Dispose of the battery in according to local regulations.
- Do not attempt to force open the battery.
- Do not subject battery to mechanical shock.
- Do not use a battery that is not designed to work with the beacon.
- Do not store extra batteries haphazardly in a drawer or box where they may short-circuit each other or be short-circuited by other metal objects.
- If the battery leaks: Do not allow the leaking fluid to come in contact with skin or clothing. If contact has already occurred, flush the affected area immediately with clean water and seek medical advice.
- Disposal of packaging and beacons should be done in accordance with local regulations. Do not attempt to repair or modify your beacon. Follow the online support guide for replacing serviceable parts such as the battery.
- Although water resistant and acceptable for use outdoors, BKON A1 beacons can be damaged by excessive exposure to water and humidity. Do not install or use a beacon in a shower or sauna setting. Do not submerge in any liquid.
- Keep your beacon's circuit board and batteries clean and dry.

USA FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: The manufacture is not responsible for any changes or modifications not expressly approved by the party responsible for compliance. Such modifications could void the user's authority to operate the equipment.

Warranty and Remedy Terms and Conditions

BKON will not be liable to honor the terms of this warranty if the product has been subjected to misuse, abuse, or accidental damaged. This warranty will be the sole and exclusive remedy to the original purchaser. In no event will BKON be liable for incidental or consequential damages of any kind (property or economic damages inclusive) arising from the sale or use of this equipment. The purchaser assumes and will hold harmless BKON in respect of all such losses. BKON's liability on any claim for damages arising out of or in connection with the manufacture, sale, installation, delivery, or use of the unit shall never exceed the purchase price of the unit. BKON is not liable for any claim made by a third party or made by the purchaser for a third party.

Canadian Compliance Statement

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le present appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
